

HandlerService::handlePacket

```
graph LR; A[HandlerService::handlePacket] --> B[ServiceLocator::getService]
```

A diagram illustrating a method call. On the left, a gray rectangular box contains the text "HandlerService::handlePacket". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "ServiceLocator::getService". Both boxes have a black border.

ServiceLocator::getService
